Maximum Value: Getting the Most From Your Toastmasters Membership

Have you ever heard a speaker deliver an entertaining and captivating address that you felt was incredibly relevant to you? Have you ever wanted to be able to have the same effect? If you've ever heard the "make a point...tell a story" method of utilizing stories in your speeches, and you're wondering how to practically incorporate that to a higher degree of effectiveness, this session is for you! Join the 2003 World Champion of Public Speaking in examining ways to select, cultivate, and utilize stories that add the maximum impact to your speech.

When Passion Is Not Enough

What do you do when you have poured all of your passion and energy into a project and it is not enough to achieve the success you were seeking? How do you take your passion for your job, your business or your message and produce a roadmap that will guarantee you reach your goals?

When Passion is Not Enough is a workshop like no other; we will be discussing 3 steps that, when added to your passion and energy, that will allow you to realize and accomplish the goals you have set. Toastmasters has provided top notch training and information; now let's take that training and information, put a definable plan to it and see the successes that are born from your hard work.

Karen Lindquist Putting Toastmasters To Work For You

Goals and motivation to achieve goals – that’s why many of us join Toastmasters. But it’s easy to lose sight of those goals and get bogged down as Toastmasters obligations clash with our outside obligations.

You may have felt this yourself, or you may see the phenomenon at work amongst your club membership.

This workshop is about harmonizing Toastmasters goals with other life goals – to keep motivation, focus, and achievement high.

Join our keynote speaker, Jim Key, the 2003 World Champion of Public Speaking and three of your fellow District 66 Toastmasters that have had the privilege of competing at the World Championships of Public Speaking and learn everything you ever wanted to know about competing in the International Speech contest.
